Make \$1000

Apply 1 Case of Green Guard

1 Gallon of Green Guard dilutes 1:9 to have a coverage of 600 sq. ft. per diluted gallon.

**Green Guard yields 10 diluted gallons x 600 sq.ft. = 6000 sq.ft.
Total coverage area of 1 Gallon is 6000 sq.ft.**

Charge customer \$0.05 per sq.ft

Coverage area 6000 sq.ft x \$0.05 = \$300.00

Landed cost per gallon = \$50.00

Net profit per gallon = \$250.00
