# Green Guard

## Soiling Drum Demo Kit

**Our Soiling Drum Demo Kit contains 24 pieces of carpet that are treated with Green Guard Carpet Protector, soiling drum and soiling chips.**

**Simply drop in the carpet sample. Flip the container and shake for 15-30 seconds. Flip the container right side up and open and observe result. This demonstrates Green Guard's soil resistance.**

**In addition, the carpet samples may be used to demonstrate Green Guard's stain resistance. Fill a container with Kool-Aid and submerge carpet for 2-3 minutes. Remove carpet and rinse with cold water.**

**Retail Price: \$29.95 U.S.D.**
