

Fiber Rinse

TriPlex
TECHNICAL SERVICES, LTD.

Tomorrow's Technology
Today™

Designed to neutralize alkalinity and any remaining surfactants left during the cleaning process leaves the carpet and fabric virtually residue free.

- Safe for use on Wool
- Mild Citrus Odor

Typical Properties

Specific Gravity	1.06 +/- 0.02g/ml
pH	3.0 +/-0.5
Water Solubility	Soluble
Boiling Point	100 degrees Centigrade
Appearance	Clear solution with a slight bluish tint
Odor	Mild Citrus

Directions:

- Portable Extractors: Add one ounce per gallon (1 to 127) into your rinse water and extract as usual.
- Truck Mount Extractors: Add 32 ounces per 5-gallon stock solution tank meter as normal.

Note: For cotton cleaning we recommend that only half the above amounts be used or that a clear water rinse be used to raise the finished pH of the cotton to above 6.0.
